Terms and Conditions for Free Access to Amazon Lex V2 ThreatModel

TrustOnCloud Promotional Offer

Effective Date: 08/08/2024

Please read these terms and conditions ("Terms") carefully before participating in our promotional offer. By participating, you agree to be bound by these Terms.

1. **Eligibility**
    - This promotional offer is open to individuals who have not claimed a free Amazon Lex V2 ThreatModel from TrustOnCloud within the last 12 months.
    - Participants must provide accurate and complete information when signing up for the offer.
    - Participants must use a valid organizational email to be eligible.
2. **Offer Details**
    - The promotional offer provides free access to our Amazon Lex V2 ThreatModel, including 24 identified threats, 15 identified medium CVSS score threats, 92 detailed controls.
    - This offer is available for a limited time and subject to availability.
    - The free access is non-transferable and cannot be exchanged for cash or any other product or service.
3. **Redemption**
    - To redeem the offer, participants must complete the form available.
    - After submission, our team will review your request and provide access if you meet the eligibility criteria.
    - Only one free ThreatModel can be claimed per individual or organization within a 12-month period.
4. **Restrictions**
    - This offer cannot be combined with any other promotional offer or discount.
    - TrustOnCloud reserves the right to modify or terminate this offer at any time without prior notice.
    - Any attempt to abuse or manipulate the offer will result in disqualification and potential legal action.
5. **Privacy**
